

EUROPEAN ORGANIZATION FOR NUCLEAR RESEARCH

Amendments to Staff Rules

In conjunction with the draft Staff Rules, these amendments are recommended by the Director-General for consideration by the Finance Committee and eventual reference to Council.

SECTION II

Number 1 (ii)

Amend first line to read: "The initial grading of staff members shall normally be specified....."

Number 4.

Delete: "...not more than 48 hours according to local requirements"

Insert: "...44 hours".

Number 7.

Delete entirely; replace as follows:

"Overtime shall be worked ~~only~~ with the approval of division directors. In cases where special services requiring overtime are rendered, overtime payment or compensatory leave may be granted at the discretion of division directors".

SECTION III

Number 1 (a)

Delete: "Brussels, Paris and Rome"

Insert: "Belgium, France and Italy.."

Number 3 (iii)

Delete: "...in Geneva"

Insert: "...at his place of work".

Number 4.

Insert new paragraph after "...authorized to make".

"Staff members domiciled in Geneva whose normal place of work lies outside the city limits of Geneva, may receive an allowance towards their cost of travel by public transport to and from work. This allowance shall be reviewed in the event of official CERN transport being made available for this purpose".

SECTION III continued:

Number 12.

Insert: "basic" before "salary" in each reference.

ANNEX 2

Paragraph 3

Add to second sentence: "which shall be regarded as first income".
