

# Minimum Bias and Underlying Event Working Group

## Monday, 1 March 2010

### Modeling of MB and diffraction - TH Theory Conference Room (14:00 - 16:30)

time	[id] title	presenter
14:00	[7] Min-Bias Models - The modeling of SD, DD, and ND	SKANDS, Peter
14:45	[12] Discriminating power of forward calorimetric observables for MB&UE modeling	JUNG, Hannes
15:05	[8] Discussion	
	- [1] Remarks from ATLAS	NURSE, Emily
16:00	coffee break	

### Modeling of MB and diffraction: Impact of MC modeling on the extraction of luminosity from MB triggers - TH Theory Conference Room (16:30 - 18:30)

time	[id] title	presenter
16:30	[13] MC studies	Dr HEINEMANN, Beate
