

Workshop on "Multi-lepton final states in search of New Physics at the LHC"

Thursday 25 March 2010

Part 2 - Amphitheater PA2 (10:55 - 12:25)

| time | [id] title | presenter |
|-------|--|------------------|
| 10:55 | [0] Prospects for multi-lepton studies at CMS | MULDERS, Martijn |
| 11:25 | [12] Multilepton backgrounds in ATLAS analyses | ERKCAN OZCAN |
