

Session Program

25 March 2010

**Workshop on "Multi-lepton final states in
search of New Physics at the LHC"**

Part 1

IST, Amphitheater PA2

Thursday 25 March

09:00

Part 1

Session | **Location:** IST, Amphitheater PA2

09:00–09:10

Welcome

Speaker

Jorge Romao, Gustavo Castelo-Branco

09:10–09:40

Multilepton signals from non-sequential quarks and leptons

Speaker

Juan Antonio Aguilar

09:40–10:10

Multi-leptons: from the Tevatron to the LHC

Speaker

Michele Gallinaro

10:10–10:40

Accessing the fourth family at the LHC with multileptons

Speaker

Gokhan UNEL

10:40
