Part 4

Session | **Location:** IST, Amphitheater PA2

15:45–16:15

Multi-leptons in SUSY searches

Speaker

Pedro Ribeiro

16:15–16:45

Lepton Flavor Violation and slepton mass splittings at the LHC

Speaker

António Figueiredo

16:45–17:15

Vector like Quarks and New Physics at the LHC

Speaker

Miguel Nebot

17:45
