

Session Program

25 March 2010

**Workshop on "Multi-lepton final states in
search of New Physics at the LHC"**

Part 3

IST, Amphitheater PA2

Thursday 25 March

14:00

Part 3

Session | **Location:** IST, Amphitheater PA2

14:00–14:30

Multi-lepton signals in composite Higgs models

Speaker

Jose Santiago

14:30–15:00

Multi-lepton physics in search for the Higgs boson

Speaker

Nicola De Filippis

15:00–15:30

Search for Multilepton Final States in Top Rare decays

Speaker

Filipe Veloso

15:30
