

# 3rd FCC Physics and Experiments Workshop

## Monday, 13 January 2020

**Theory progress for precision physics at FCC, part 1 - 4/3-006 - TH Conference Room (11:00 - 13:00)**

time	[id] title	presenter
11:00	[33] Numerical approach to multiloop calculations: overview	RODRIGO, German
11:30	[34] Analytic approach to multiloop calculations: overview	DUHR, Claude
12:00	[38] IBPs with Kira	USOVITSCH, Johann
12:25	[97] The Path to 0.01% Theoretical Luminosity Precision for the FCC-ee	WARD, Bennie
