

3rd FCC Physics and Experiments Workshop

Thursday, 16 January 2020

General Detector and Physics Talks - 222/R-001 (17:05 - 18:20)

time	[id] title	presenter
17:05	[143] Precision measurement of the Z boson to electron neutrino coupling	ALEKSAN, Roy
17:30	[144] Technological progress and FCC-ee detector requirements	CONTARDO, Didier Claude
17:55	[145] One detector for both ee and hh ?	MANNELLI, Marcello
