

Session Program

8 April 2010

**LHeC QCD and Electroweak Physics
Workshop**

***Inclusive Measurements: PDF Fits, α_s ,
electroweak physics potentials***

DESY Hamburg site, Sem 3

Thursday 8 April

09:30

Inclusive Measurements: PDF Fits, α_s , electroweak physics potentials

Session | **Location:** DESY Hamburg site, Sem 3

09:30–09:45

Introduction to workshop

Speaker

Olaf Behnke

09:45–10:15

LHeC: Direct determination of PDFs from inclusive ep data

Speaker

Max Klein

10:15–10:45

LHeC impact on PDF determination

Speaker

Alberto Guffanti

10:45–11:15

α_s determination at LHeC from inclusive ep data and jets

Speaker

Thomas Kluge

11:15–11:30

Report from low x group on CDR plans

Speaker

Dr Paul Newman

11:30–12:15

Discussion of issues for conceptional design report

12:30
