GENERAL INFORMATION

- Kits with t-shirt etc have been distributed
- Vouchers for packed lunch: please give to Julia Cachet (secretariat); Roberto has kindly offered to pick up the packed lunches at R3 in Precessin
- Transport: main road from France to CERN will be closed after 7:30 am and until 7:30 pm

SAFETY

Three scenarios:

- **Plan A: Early closure**
  - Goal – “soft” evacuation of sites

- **Plan B: Weather alert**
  - Goal – harbor visitors in safe buildings

- **Plan C: Confinement from harmful exterior event**
  - Goal – harbor visitors in safe buildings

**List of safe buildings**

SXL2, SX2 and SD2
• **Urgencies**: (Managed by SCR) **red phone** or **74444** or **TETRA emergency call** (without delay transferred to PCO).

• **Incidents and non-urgent demands**: (managed by Site Manager and transferred to PCO) call **162529** (Arturo Tauro, site manager) / **163534** (Andre Augustinus, deputy) / **163204** (Klaus Barth, ALICE LEXGLIMOS, RSO) or TETRA

• **ALICE P2 Site Manager** has a **TETRA emergency link** to PCO as well as a satellite phone link to PCO.

• **TETRA handsets** are backup and local broadcast medium between UGs / CMs and Site Manager.

• In case of doubt about an object or a situation, do not hesitate to report it to the **74444 (00 41 22 767 4444)**, the **guards** nearby or **PCO** (66001 or 66002), depending on the urgency.

→ Do not rely on anyone else to do so.
→ It is better to warn 10 times for nothing than not to do it.
