

QWG 2021 - The 14th International Workshop on Heavy Quarkonium

Friday, 19 March 2021

Day 5 Afternoon: In-Media (II) (14:00 - 15:30)

-Conveners: Anthony Frawley

time	[id] title	presenter
14:00	[22] Bottomonium suppression in open quantum systems	STRICKLAND, Michael
14:20	[27] CNM J/psi production at SeaQuest	VOGT, Ramona
14:40	[28] Diffractive J/psi production to probe short-range correlations in the deuteron at EIC	TU, Zhoudunming
15:00	[25] Towards dissipative in-medium quarkonium dynamics from the complex interquark potential	Dr ROTHKOPF, Alexander
15:20	Coffee Break
