

# QWG 2021 - The 14th International Workshop on Heavy Quarkonium

## Wednesday, 17 March 2021

### Day 3 Morning: Spectroscopy (III) (08:30 - 09:50)

-Conveners: Gunnar Bali

time	[id] title	presenter
08:30	[58] Search vector charmonium-like states in hidden charm final states	Ji, Qingping
08:50	[56] Study of vector charmonium(-like) states in open charm states at BESIII	ZHAO, Jingyi
09:10	[54] Heavy pentaquarks at LHCb	MIKHASENKO, Mikhail
09:30	[51] Vector bottomonium states at Belle	MIZUK, Roman
