

Session Program

30 March 2020 to 6 April 2020

Particle Therapy MasterClass

Session 1

Monday 30 March

11:30

Session 1: Ion Therapy

Session | **Convener:** Louis RINOLFI**11:30–11:35** **Welcome from Archamps Mayor****Speaker**

Xavier Pin

11:35–11:40 **Welcome from ESI****Speaker**

Hans Falk Hoffmann

11:40–11:50 **Welcome from CERN and overview of CERN medical activities****Speaker**

Frederick Bordry

11:50–12:00 **Welcome from organisers, practical information****Speaker**

Yiota Foka

12:00–12:20 **Motivations and opportunities for a new PIMMS initiative****Speaker**

Maurizio Vretenar

12:20–12:50 **History and perspective of ion therapy accelerators****Speaker**

Ugo Amaldi

12:50–13:20 **Medical perspectives of ion therapy****Speaker**

Roberto Orecchia

13:20–13:50 **Medical physics requests and challenges for future ion facilities****Speaker**

Prof. Oliver Jäkel

13:50
