

The 36th Winter Workshop on Nuclear Dynamics

Contribution ID: 13

Type: **not specified**

Characterizing the medium created in Pb-Pb collisions at 2.76TeV by means of the evolution of two-particle transverse momentum correlations

Monday, March 2, 2020 7:00 PM (30 minutes)

Presenter: Mr GONZALEZ, Victor (GSI - Helmholtzzentrum für Schwerionenforschung GmbH (DE))
