

## The 36th Winter Workshop on Nuclear Dynamics

Contribution ID: 13

Type: **not specified**

# **Characterizing the medium created in Pb-Pb collisions at 2.76TeV by means of the evolution of two-particle transverse momentum correlations**

*Monday, 2 March 2020 19:00 (30 minutes)*

**Presenter:** Mr GONZALEZ, Victor (GSI - Helmholtzzentrum für Schwerionenforschung GmbH (DE))
