- **Deadline** for proceedings: 6 January 2020
- **10 pages max:** negotiations on number of pages (if any) with perrotta@bo.infn.it

Last

- Farewell to the next time/edition in 2 - 3 years from now
- The end ..., but in the meantime...
- ... the LHC run 3 / Phase2, the planned HEP experiments in space and Earth, the Medical Physics and other applications will certainly keep calling for improved and more performant detectors
