

Session Program

30 August 2019

**Inter-Filament Coupling Currents Modelling
in Superconducting Filamentary Nb₃Sn
Strands and Magnets.**

***Inter-Filament Coupling Currents Modelling
in Superconducting Filamentary Nb₃Sn
Strands and Magnets.***

CERN, 30/6-019

Esplanade des Particules 1 P.O. Box 1211 Geneva 23 Switzerland

Friday 30 August

10:30

12:00

Inter-Filament Coupling Currents Modelling in Superconducting Filamentary Nb₃Sn Strands and Magnets.

Session | **Location:** CERN, 30/6-019, Esplanade des Particules 1 P.O. Box 1211 Geneva 23 Switzerland
