CERN Knowledge Transfer Group / A. Ravikumar 5 mins talk

Tuesday, 19 November 2019 18:30 (5 minutes)

The Entrepreneurship Team in the Knowledge Transfer group work with enabling CERNies to find entrepreneurship as a possible career path after ending their contract. We do this by hosting meet-ups, providing coaching, tools, and sharing our network with people at CERN that are interested in creating a start-up.

Stop by our stand during the break
