

## **Session Program**

**26-28 Apr 2006**

## **POSIPOL 2006**

### ***Comparison with undulator scheme Session (continued)***

CERN - European Organization for Nuclear Research  
Meyrin Switzerland

## Thursday 27 April

11:00

### Comparison with undulator scheme Session (continued)

**Session** | **Location:** CERN - European Organization for Nuclear Research, 6/2-024, Meyrin Switzerland |

**Convener:** John SHEPPARD

11:00-11:30

#### **Radiation from electrons passing through a helical undulator or colliding with a circularly polarized laser wave**

**Speaker**

Prof. Vladimir Strakhovenko

12:30

12:00-12:30

#### **Discussion**
