

Muon Collider Workshop

Thursday, 10 October 2019

Overview on lesson learnt and present muon facilities - 40/S2-A01 - Salle Anderson (09:00 - 11:00)

time	[id] title	presenter
09:00	[1] US overview (update on MAP, what remains to be done)	PALMER, Mark
09:20	[12] UK overview (update on MICE, what remains to be done)	ROGERS, Chris
09:40	[13] Discussion	
09:55	[14] Current muon facilities at PSI and MuCOOL	PAPA, Angela
10:15	[57] Muon related activities in China	TANG, Jingyu
10:25	[15] Current muon facilities at CERN and potential extension for collider R&D	BERNHARD, Johannes
10:45	[16] Discussion
