PRACTICALITIES + SURROUNDINGS

- Many direct flights throughout Europe (popular hub for Asia flights)
- Unique winter experience: Suomenlinna (UNESCO world heritage), sauna (e.g. in connection with pool swimming in the harbour); weather presumably cold, but daylight is “back”, already (almost 10h on 20 Feb).
- Not specific to winter, but new landmark: Oodi - “library with benefits”

ALLAS SEA POOL

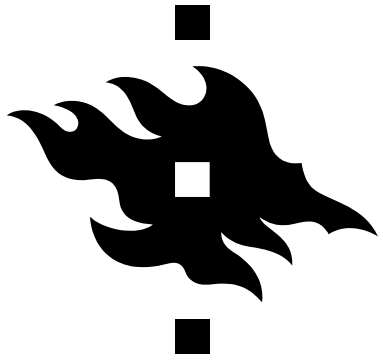

- Two outdoor pools - one warm/one cold/icy
- Three saunas (mixed/male/female)
- Also possible dinner location: 60€ for 4 course meal including wine package
- E.g.: End first day at 17:30, start dinner at 20:00, gives ca. 2h for swimming + sauna

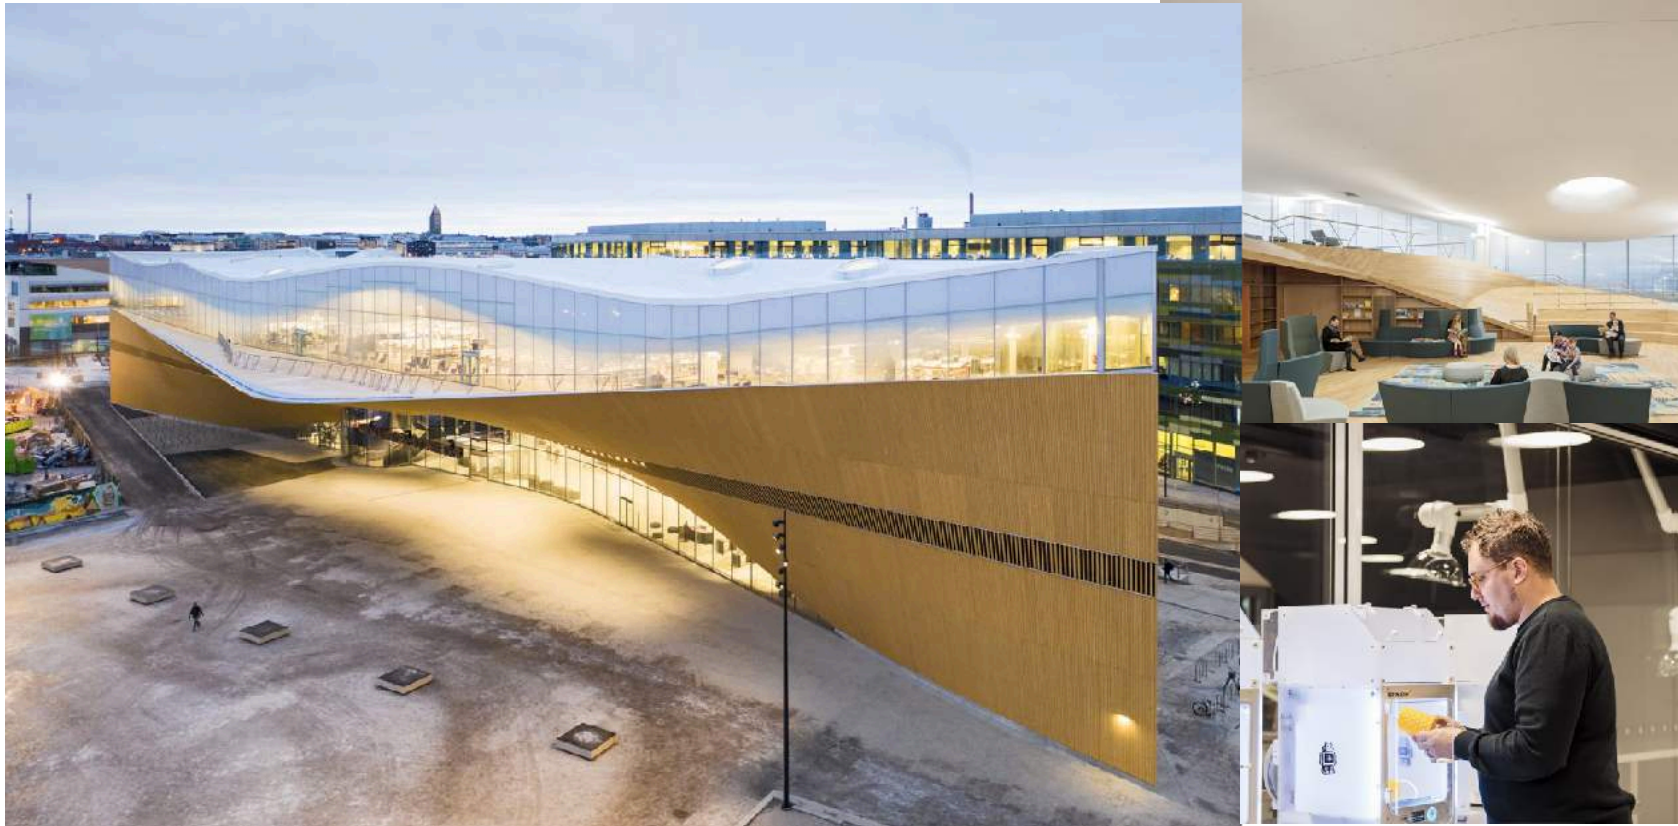

SUOMENLINNA SEA FORTRESS

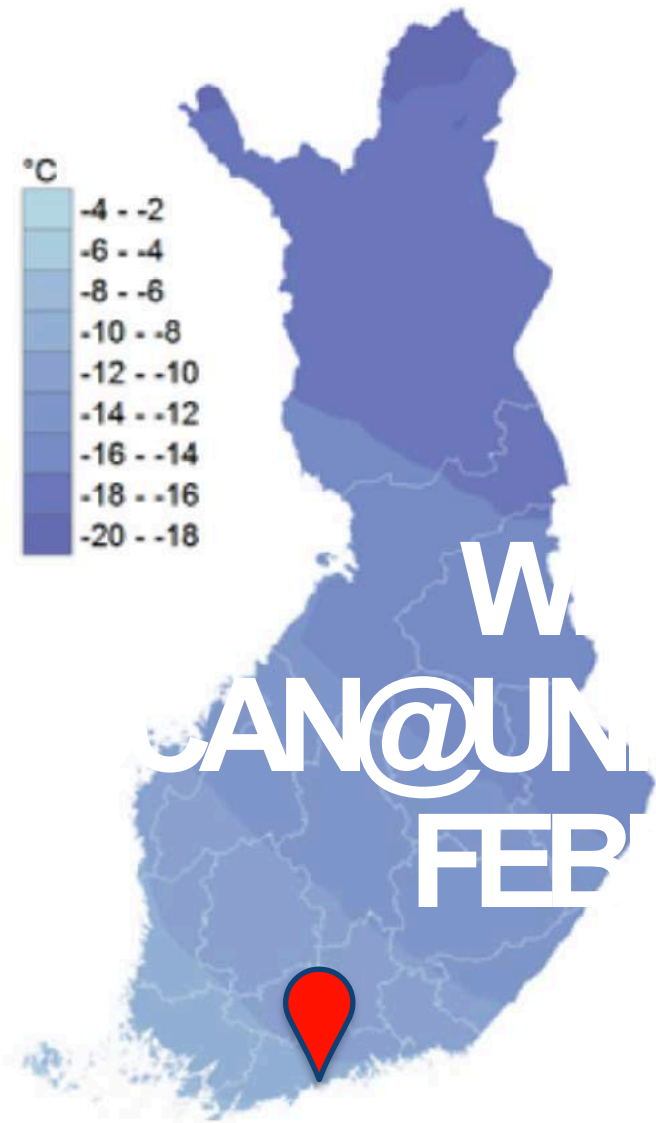

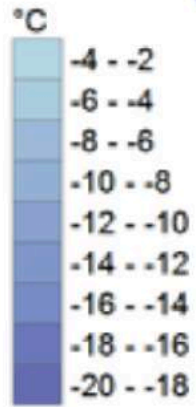

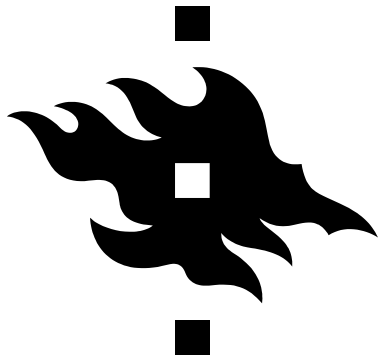

- World Heritage Site Suomenlinna is a cultural treasure. Its construction began in the mid-18th century, when Finland was still part of Sweden. Today, the fortress and its museums, restaurants and events are a memorable experience for visitors of all ages.
- Spectacular ferry crossing through sheets of ice. Ferries leave from across the sea pool, take 15 minutes, are part of public transport (single ticket for 80 minutes 2.20€)

OODI: NEW HELSINKI LANDMARK

- Oodi is a non-commercial, urban public space that is open to all, right at the heart of Helsinki (opposite to , Parliament, Helsinki Music Centre, Finlandia Hall, Sanoma House and the Museum of Contemporary Art Kiasma)
- Opened on eve of Finland's 101st independence day
- Also a library, but much more: group rooms, 3D printers/ scanners, sewing machines, photo/video studios, cinema, café and restaurant
