

CALOR 2022 - 19th International Conference on Calorimetry in Particle Physics

CALOR 2020 – 19th International Conference on Calorimetry
in Particle Physics
University of Sussex, UK, 16-20 May, 2022

Contribution ID: 174

Type: **not specified**

Novel ultrafast Lu₂O₃ ceramics for future HEP applications

Session Classification: Session 3 - New Technologies 1
