

CALOR 2022 - 19th International Conference on Calorimetry in Particle Physics

CALOR 2020 – 19th International Conference on Calorimetry  
in Particle Physics  
University of Sussex, UK, 16-20 May, 2022

Contribution ID: 179

Type: **not specified**

## **Crilin: a semi-homogeneous calorimeter for a future Muon Collider**

**Session Classification:** Session 4 - Future Colliders 1
