

CALOR 2022 - 19th International Conference on Calorimetry in Particle Physics

CALOR 2020 – 19th International Conference on Calorimetry
in Particle Physics
University of Sussex, UK, 16-20 May, 2022

Contribution ID: 198

Type: **not specified**

Radiation damage studies for phenyl-based plastic scintillators

Presenter: PAPAGEORGAKIS, Christos (University of Maryland (US))

Session Classification: Session 8 - New Technologies 2
