

CALOR 2020 – 19th International Conference on Calorimetry  
in Particle Physics  
University of Sussex, UK, 16-20 May, 2022

Contribution ID: 224

Type: **not specified**

## Development and Performance of a highly granular scintillator-tungsten ECAL prototype for the CEPC

*Friday 20 May 2022 11:00 (20 minutes)*

**Presenters:** ZHANG, Yunlong (Univ. of Science & Tech. of China (CN)); ZHANG, yunlong

**Session Classification:** Session 14 - Future Colliders 2
