

CALOR 2020 – 19th International Conference on Calorimetry
in Particle Physics
University of Sussex, UK, 16-20 May, 2022

Contribution ID: 225

Type: **not specified**

Mu2e crystal calorimeter front-end electronics: design, characterisation, and radiation hardness

Friday 20 May 2022 11:50 (20 minutes)

Presenter: PAESANI, Daniele (Universita e INFN, Bari (IT))

Session Classification: Session 15 - Applications of calorimetric techniques 3
