

CALOR 2022 - 19th International Conference on Calorimetry in Particle Physics

CALOR 2020 – 19th International Conference on Calorimetry
in Particle Physics
University of Sussex, UK, 16-20 May, 2022

Contribution ID: 227

Type: **not specified**

A high-performance electromagnetic calorimeter for neutrino physics in the DUNE Near Detector complex

Friday, May 20, 2022 12:30 PM (20 minutes)

Presenter: DI NOTO, Lea (INFN e Universita Genova (IT))

Session Classification: Session 15 - Applications of calorimetric techniques 3
