

CALOR 2022 - 19th International Conference on Calorimetry in Particle Physics

CALOR 2020 – 19th International Conference on Calorimetry
in Particle Physics
University of Sussex, UK, 16-20 May, 2022

Contribution ID: 228

Type: **not specified**

Development of an Argon Light Source as a Calibration and Quality Control Device for Liquid Argon Light Detectors

Friday, May 20, 2022 12:50 PM (20 minutes)

Presenters: BILKI, Burak (Beykent University (TR), The University of Iowa (US)); TOSUN, Mehmet (Beykent University (TR))

Session Classification: Session 15 - Applications of calorimetric techniques 3
