

CALOR 2022 - 19th International Conference on Calorimetry in Particle Physics

CALOR 2020 – 19th International Conference on Calorimetry
in Particle Physics
University of Sussex, UK, 16-20 May, 2022

Contribution ID: 244

Type: **not specified**

Resolution studies in simulation for the IDEA dual-readout calorimeter

Thursday 19 May 2022 14:52 (8 minutes)

Presenter: LOESCHCKE CENTENO, Andreas (University of Sussex (GB))

Session Classification: Poster Session
