

CALOR 2022 - 19th International Conference on Calorimetry in Particle Physics

Monday 16 May 2022

Session 3 - New Technologies 1 (14:20 - 15:40)

-Conveners: Andrew White

time	[id] title	presenter
14:20	[170] LiquidO Novel Detection Technology	CABRERA, Anatael
14:40	[171] R&D of a novel high granularity crystal ECAL	QI, Baohua
15:00	[172] Towards a Large Calorimeter based on LYSO or LaBrCe Crystals for Future High Energy Physics	SCHWENDIMANN, Patrick
15:20	[173] Mu2E Electromagnetic calorimeter	MISCETTI, Stefano MISCETTI, Stefano
