

## **Session Program**

**12-16 Jul 2021**

## **50th International Symposium on Multiparticle Dynamics (ISMD2021)**

***Cosmic ray and astrophysics***

## Tuesday 13 July

17:15

### Cosmic ray and astrophysics: 1

**Session** | **Location:** | **Conveners:** Hans Peter Dembinski, Miguel Mostafa

17:15-17:35

#### Probing hadronic interactions with measurements from the Pierre Auger Observatory

**Speaker**

Dr Belén Andrada

17:35-17:55

#### Ultra-High-Energy Tau Neutrino Cross Sections with GRAND and POEMMA

**Speaker**

Dr Peter Denton

17:55-18:15

#### The Giant Radio Array for Neutrino Detection (GRAND) Project

**Speaker**

Bruno Lago

18:15
