

Session Program

12-16 Jul 2021

**50th International Symposium on
Multiparticle Dynamics (ISMD2021)**

Cosmic ray and astrophysics

Tuesday 13 July

17:15

Cosmic ray and astrophysics: 1

Session | Location: | Conveners: Hans Peter Dembinski, Miguel Mostafa

17:15-17:35

Probing hadronic interactions with measurements from the Pierre Auger Observatory

Speaker

Dr Belén Andrada

17:35-17:55

Ultra-High-Energy Tau Neutrino Cross Sections with GRAND and POEMMA

Speaker

Dr Peter Denton

17:55-18:15

The Giant Radio Array for Neutrino Detection (GRAND) Project

Speaker

Bruno Lago

18:15
