

Prospects for Intensity Frontier Particle Physics with Compressed Pulses from the ESS Linac

Tuesday 3 March 2020

Physics Experiments at the Intensity Frontier: 4 - ITC 1311 (09:00 - 10:30)

time	[id] title	presenter
09:00	[11] The COHERENT experiment - a progress report	AWE, Connor
09:30	[12] Opportunities for Coherent Neutrino Scattering at the ESS	COLLAR COLMENERO, Juan
10:00	[13] Discussion
