

First Circular and Call for Abstracts
CPOD2020
The International Conference on
Critical Point and Onset of Deconfinement

Dear Colleague,

we are pleased to announce the International Workshop on Critical Point and Onset of Deconfinement, CPOD2020, to be held from Monday Morning , May 4, 2020 until Friday Noon, May 8, 2020, in Baku, Azerbaijan.

The purpose of the conference is to discuss theoretical and experimental achievements in studies of the phase structure of strongly interacting matter at high temperatures and densities.

Scientific Program

The scientific program of the conference will include the following topics:

- Critical point
- Phase transitions
- Deconfined matter
- Hadronization
- Compact Stars
- Experimental facilities, detectors, and methods
- Next generation methods in data analysis

Conference website

<https://indico.cern.ch/event/851194/>

Venue

The conference will be held in the conference hall of the Boulevard Hotel Baku and on the campus of the Ada University

Registration and Conference Fee

Online registration and abstract submission will open on December 16, 2019.

The registration fee amounts to 250 EUR. Included in the fee are a welcome reception, a banquet and coffee breaks.

The registration fee may be waived for a limited number of students and postdocs at the beginning of their career. Waiver can be requested as part of the registration process.

Accommodation

The special rate for CPOD2020 at the 5 star Boulevard Hotel Baku is 100 Manat (about 50 EUR) per night. Reservations can be made through the conference website.

Supporting Institutions

Ministry of Transport, Communications and High Technologies (MTCHT)

National Nuclear Research Center (NNRC)

ADA University (ADA)

The ExtreMe Matter Institute (EMMI)

International Advisory Committee
