

Second Circular and Call for Abstracts  
CPOD2020  
The International Conference on  
Critical Point and Onset of Deconfinement

Dear Colleague,

we are pleased to announce the International Workshop on Critical Point and Onset of Deconfinement, CPOD2020, to be held from Monday Morning , May 4, 2020 until Friday Noon, May 8, 2020, in Baku, Azerbaijan.

The purpose of the conference is to discuss theoretical and experimental achievements in studies of the phase structure of strongly interacting matter at high temperatures and densities.

### Scientific Program

The scientific program of the conference will include the following topics:

- Critical point
- Phase transitions
- Deconfined matter
- Hadronization
- Compact Stars
- Experimental facilities, detectors, and methods
- Next generation methods in data analysis

### Conference website

<https://indico.cern.ch/event/851194/>

### Venue

The conference will be held in the conference hall of the [Boulevard Hotel Baku](#) and on the campus of the [Ada University](#)

### Registration and Conference Fee

Online registration is currently open and will close on Apr 30, 2020.

The conference fee is 250 EUR for early registration (for participants who register and pay within **15 March 2020**) and 300 EUR for late registration. The full fee for accompanying persons is 80 EUR and includes coffee breaks and social events.
