

Please, give us advise

Pablo G. Tello
EU Office/IdeaSquare
CERN

He never follows advise...

Why children don't follow advice? 😊...Of course I don't know. Personal reflection as a parent 😊

Too many
In a rush
Based on “dos and don'ts”

Too little
No time
Based on “or else”

IdeaSquare...we are little kids

MY MAGIC MOMENT...

When CERN, IdeaSquare and whatever is what I do become insignificant...

"I do not know what I may appear to the world; but to myself I seem to have been only like a boy, playing on the seashore, and diverting myself, in now and then finding a smoother pebble or a prettier shell than ordinary, while the great ocean of truth lay all undiscovered before me."

Carl Sagan

What I could not learn?
What I will remember?**

Thank you
