

Session Program

2-5 Dec 2019

Geant4 School - University of Wollongong

Session VIII

Thursday 5 December

11:00

Session VIII: Geant4 for radiobiology

Session

11:00-11:45

Lecture-DNA-IV: Evaluation of early radiation DNA damage in a fractal cell nucleus model using Geant4-DNA

Speaker

Dousatsu Sakata

11:45-12:30

Lecture-DNA-V: Bridging the gap between physical interactions and biological responses

Speaker

Stephen McMahon

12:30
