# Thanks every one

- ~900 participants, 88 talks
- Many thanks to all the speakers
  - Special thanks to Lightning speakers who managed to convey their message in 3'
- Great to see the variety of topics, many new ones
- Great to see new people, new groups being involved in AI for HEP

# Workshop questionnaire and next workshop

- Please take a few minutes to answer the [questionnaire](#)
- In particular next workshop May/June 21 or Oct/Nov 2021 at CERN ?
- We hope to see you there!

# Upcoming IML working group meetings

- (videos of the talks of that workshop will be posted on indico)
- We'll organise monthly topical IML meetings, dates/topics to be announced soon (also will appear in <https://indico.cern.ch/category/8009/> )
- We'll use lightning talks shown this week as a pool for potential talks, but you should not hesitate to contact us "[iml.coordinators@cern.ch](mailto:iml.coordinators@cern.ch)" if you are interested in presenting.
- Make sure you are registered to [lhc-machinelearning-wg@cern.ch](mailto:lhc-machinelearning-wg@cern.ch) to stay informed
