

# LPC Workshop on Physics Connections between the LHC and EIC

## Friday 15 November 2019

### Heavy Ion and other opportunities - Sunrise (WH11NE) (12:00 - 12:45)

time	[id] title	presenter
12:00	[23] FoCal - a high granularity Forward Calorimeter planned for Run-4 in ALICE	LOIZIDES, Constantinos
12:15	[25] Heavy-flavor measurements at an EIC	DURHAM, John Matthew
12:30	[26] Measurements of leptons from heavy-flavor decay	DAS, Debasish
