

CS3 community summary – animated CS3map for continuous site report surveys

ETH zürich

Request December 2019

The screenshot shows the CS3 2020 website interface. At the top, there is a navigation bar with the CS3 logo and the text "CS3 2020 - Cloud Storage Synchronization and Sharing Services". Below this, a secondary bar displays the dates "27-29 January 2020" and the location "Europe/Zurich timezone", along with a search bar and user information "Public", "Europe/Zurich", and "D. Steiger".

On the left side, a vertical menu lists various options: Overview, Programme, Call for Abstracts, Timetable, My Conference, My Contributions, and Surveys (which is currently selected). The main content area is titled "Survey" and "SITE REPORTS". Underneath, there is a section for "Site Report Survey" with a prompt: "Please fill your site info for our 'site report survey summary'".

The "Overview" section contains three input fields:

- "Your name and email *": An empty text input field.
- "Institution/Company *": An empty text input field.
- "Instance name of your on-premise sync&share service": An empty text input field.

 Below these fields, the text "Active since (year)" is visible, followed by another empty input field.
