# Venue

- Venue – Daejeon Convention Center (DCC)
  - Original plan: 3<sup>rd</sup> floor auditorium and 1<sup>st</sup> floor rooms.
  - It was noted the escalator between the 1<sup>st</sup> floor and 3<sup>rd</sup> floor was not wide enough to move ~200 people at once.
  - Changed plan: Merge two 1<sup>st</sup> floor rooms into a big room, which can store up to  $132 \times 2 = 264$  people.
- Reservation status:

We reserved six 1<sup>st</sup> floor rooms, each can store up to 132 people.

  - One “merged room” (originally two rooms) as the morning plenary / afternoon parallel session
  - Two rooms for two parallel sessions.
  - One room for poster exhibition.
  - One room for extra. Also lobby possible? We need space for sponsor booths.
