Feedback from visitors

- “Absolutely loved it. Makes me sorry I didn't go for PhD”

- “Fantastic! I am a layperson but it fascinates me and I would like to attend more talks at Colours 2020 at The Big Bang Stage. Thank you!”

- “Very clear, nice and funny talk. Thank you. Not just for it but also for the whole stage - very nice opportunity to extend knowledge in between concerts.”

- “It was much better than I expected”
