A screenshot of a meeting page for the 'LHC EFT Working Group: preliminary open discussion'. The page is in a dark blue theme. At the top, it shows the meeting title, date and time (Friday 17 Apr 2020, 14:00 - 17:00 Europe/Zurich), and location (Vidyo meeting (CERN)). Below this is a 'Description' section with text about the meeting's purpose and a list of participants. There is a 'Registration' section with a 'Register' button. A 'Participants' list shows names like Adil Jueid, Alessandro Vicini, and others. At the bottom, there is a 'Videoconference Rooms' section with a 'Join' button. A timeline at the bottom of the page shows the meeting agenda: 14:00 - 14:20 Introduction (Speaker: Michelangelo Mangano (CERN)), 14:20 - 16:50 Discussion, with sub-items for 14:20 Contribution (Speaker: Dr. Juan Rojo) and 14:30 Contribution (Speaker: Veronica Sanz Gonzalez).
