

## **Session Program**

**25-30 May 2020**

## **8th Edition of the Large Hadron Collider Physics Conference**

### ***Plenary IV***

# Wednesday 27 May

12:30

## Plenary IV: Heavy Ions

**Session** | **Conveners:** Barbara Erazmus, Arturo Fernandez Tellez

**12:30–13:00**    **Theory of heavy ions in the LHC era**

**Speaker**  
Wilke Van Der Schee

**13:00–13:30**    **Hard probes**

**Speaker**  
Yi Chen

**13:30–14:00**    **Heavy flavor and quarkonia**

**Speaker**  
Gian Michele Innocenti

**14:00–14:30**    **Soft probes**

**Speaker**  
Livio Bianchi

14:30
