

**Session Program**

**19-23 Apr 2010**

**DIS10, XVIII International Workshop on Deep  
Inelastic Scattering and Related Subjects**

***Joint Session on Electroweak and Future***

Florence, Italy, Convitto della Calza  
Piazza della Calza 6, 50125 Firenze

# Wednesday 21 April

16:15

## Joint Session on Electroweak and Future: Session 8

**Session** | **Location:** Florence, Italy, Ponte Vecchio, Piazza della Calza 6, 50125 Firenze

**16:15–16:40** **Aspects of Beyond Standard Model Physics at the LHeC**

**Speaker**

Georges Azuelos

**16:40–17:05**

**Searching for a light Higgs in electron-hadron collisions at the TeV scale**

**Speaker**

Uta Klein

**17:05–17:30**

**Parity Violation in Deep Inelastic Scattering in the JLab 12 GeV Era**

**Speaker**

Paul Reimer

**17:30–17:55**

**Electroweak Physics at a Future EIC**

**Speaker**

Krishna Kumar

18:00
