

Washington DC workshop on future electron-positron colliders

Wednesday 22 April 2020

parallel 2: physics reach 2 (16:00 - 18:00)

parallel 2: Tracking (16:00 - 18:00)

time	[id] title	presenter
16:00	[18] Magnet design for interaction region optimization	KORATZINOS, m
