THINK CORNER

The city's most captivating talks and the latest scientific discoveries in an architecturally striking environment.

HELSINGIN YLIOPISTO
HELSINGFORS UNIVERSITET
UNIVERSITY OF HELSINKI

Outreach event will be recorded and available online.
19 February 17:00-19:00; your ideas/thoughts/contributions welcome!

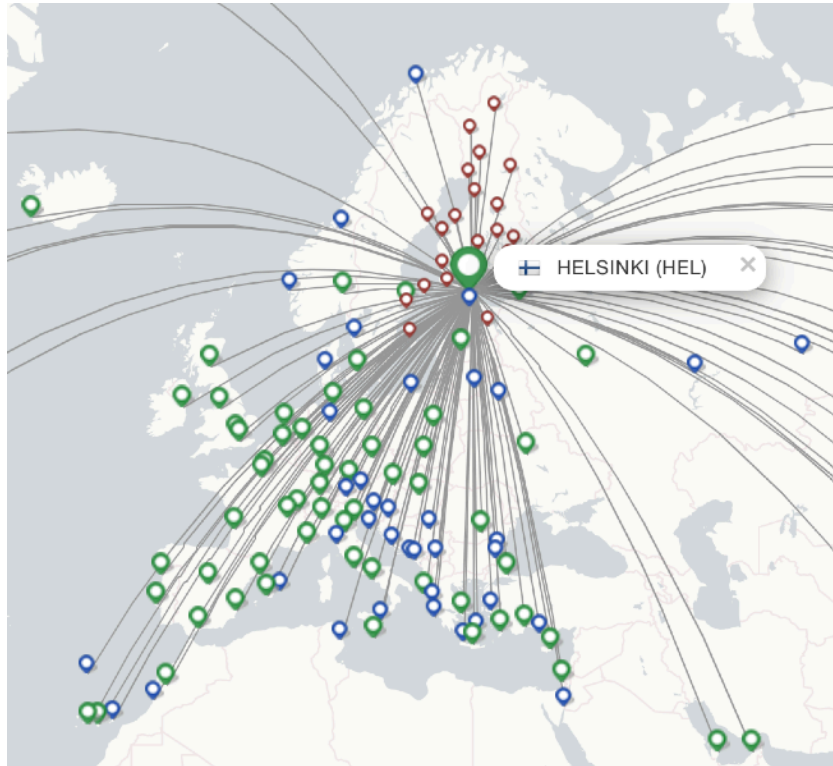

THANK YOU PAULA, SIMON, MIKKO + EVERYBODY!

PRACTICALITIES + SURROUNDINGS

- Many direct flights throughout Europe (popular hub for Asia flights)
- Unique **winter** “late October style” experience: Suomenlinna (UNESCO world heritage), sauna (e.g. in connection with pool swimming in the harbour); weather presumably cold, but daylight is “back”, already (almost 10h on 20 Feb).
- Not specific to winter, but new landmark: Oodi - “library with benefits”

THINK CORNER

SUOMENLINNA SEA FORTRESS

- World Heritage Site Suomenlinna is a cultural treasure. Its construction began in the mid-18th century, when Finland was still part of Sweden. Today, the fortress and its museums, restaurants and events are a memorable experience for visitors of all ages.
- Spectacular ferry crossing through sheets of ice. Ferries leave from across the sea pool, take 15 minutes, are part of public transport (single ticket for 80 minutes 2.80€)

OODI: NEW HELSINKI LANDMARK

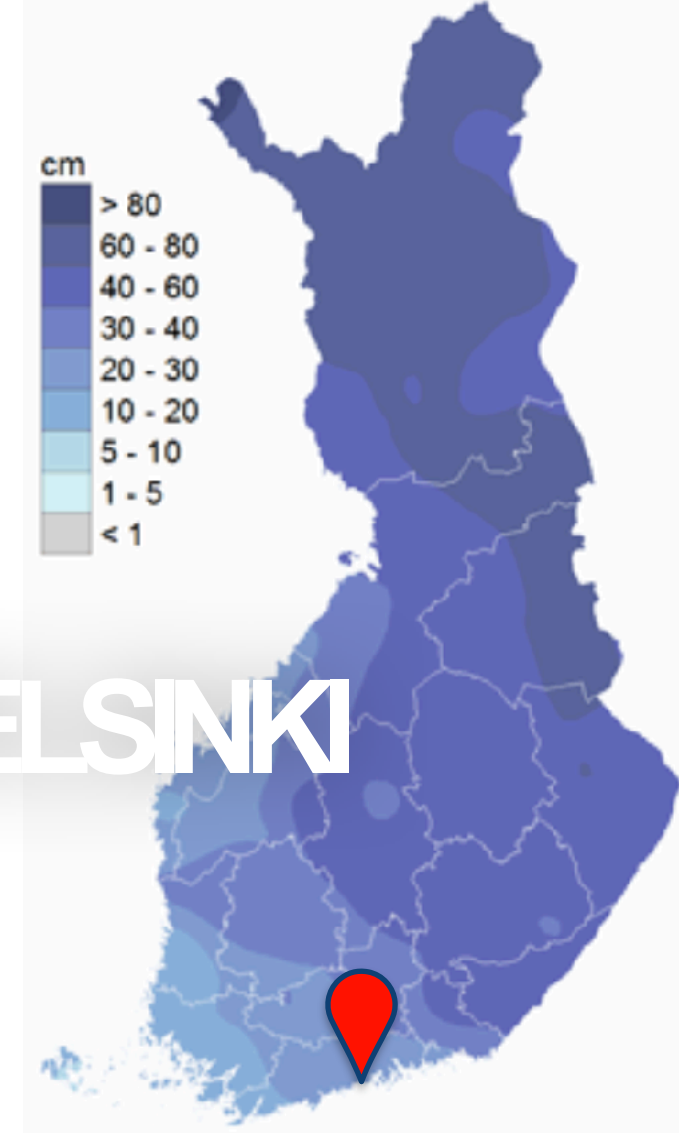

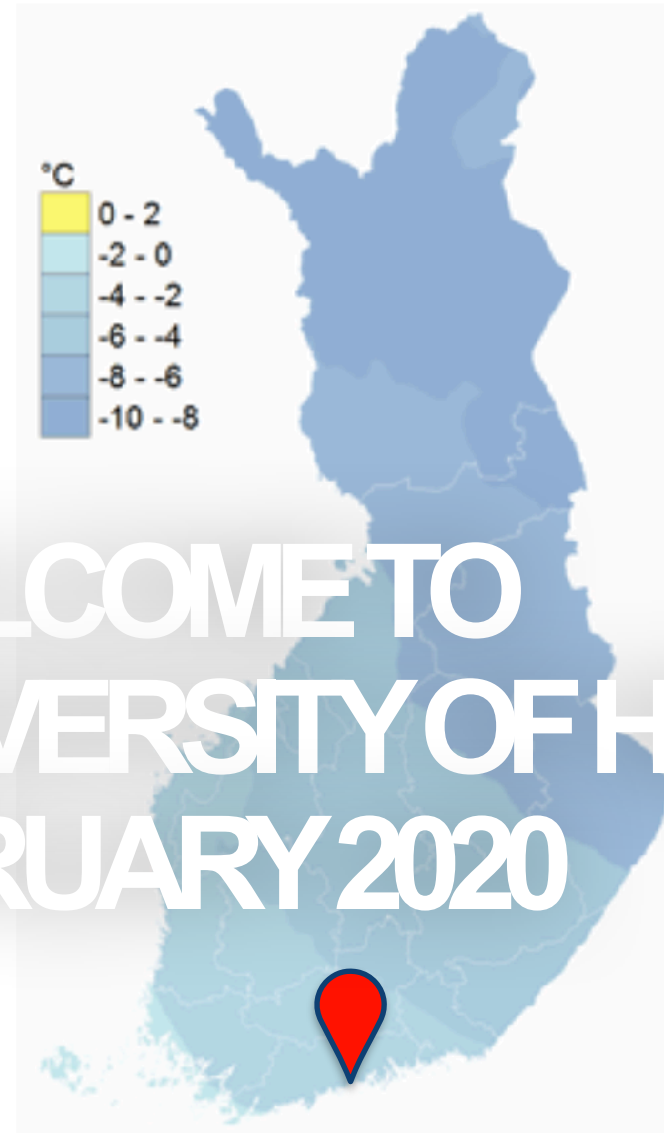

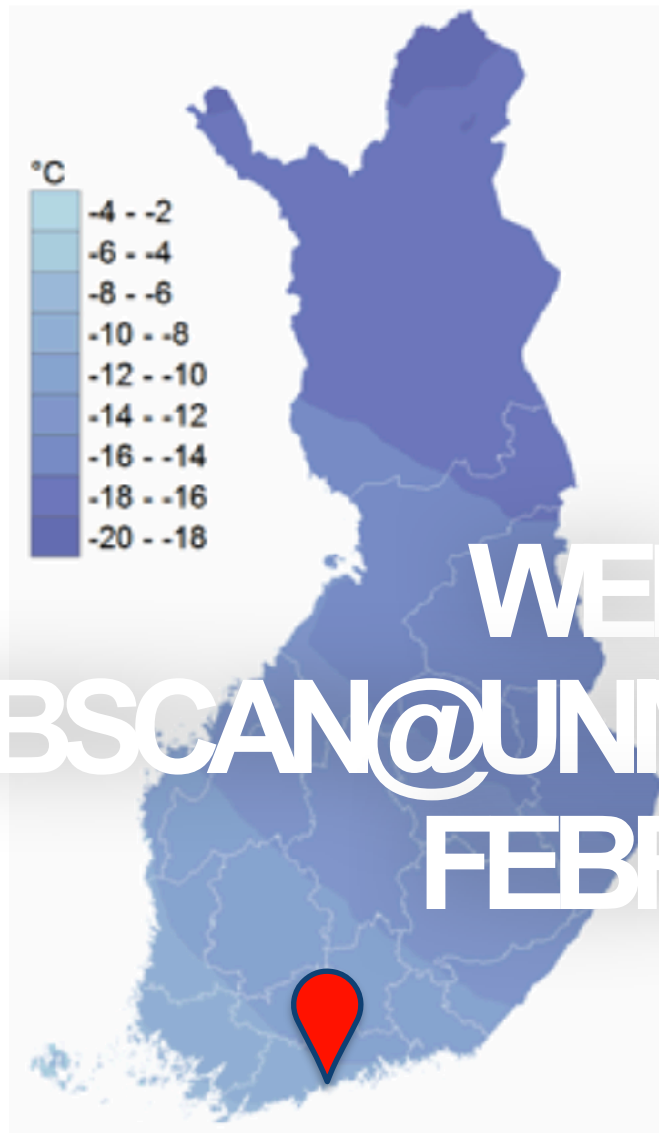

- Oodi is a non-commercial, urban public space that is open to all, right at the heart of Helsinki (opposite to , Parliament, Helsinki Music Centre, Finlandia Hall, Sanoma House and the Museum of Contemporary Art Kiasma)
- Opened on eve of Finland's 101st independence day
- Also a library, but much more: group rooms, 3D printers/ scanners, sewing machines, photo/video studios, cinema, café and restaurant
