Site category:

Site name:

Description:

Site type:

- Centrally hosted on DFS
- EOS folder
- Collaboration workspace
- Drupal 8**
- Drupal 7 (deprecated, open a Support ticket if required)
- PaaS Web Application
- Social Community

How to choose?

Create communities about topics that interest you, find answers to your questions and connect with others.

Profile:

- Blank site: Default CERN website
- Easy Start: Precreated website, ready to be used as a portal, news website or project website. A lite version of home.cern implementation. [More info](#)
- Demo template: Precreated template website to show all the possibilities the new CERN Theme offers.

Owner (CERN login):

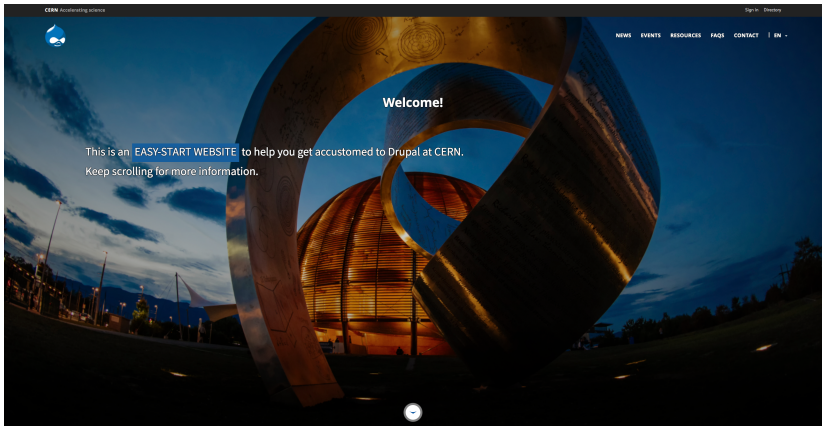

I have read and agreed to the [CERN Computing Rules](#) and taken into account the [design guidelines](#) for websites and the [website lifecycle policy](#).

Easy start website

The screenshot shows the CERN website's 'RESOURCES' page. At the top, there is a dark navigation bar with the CERN logo and 'Accelerating science' on the left, and 'Sign in Directory' on the right. A secondary navigation bar contains links for 'NEWS', 'EVENTS', 'RESOURCES', 'FAQS', 'CONTACT', and 'EN'. The main content area features a search bar with the text 'SEARCH RESOURCES'. Below the search bar are filters for 'Type' (set to 'Any'), 'Page', 'Start date' (set to '85.000.0000'), and 'End date' (set to '85.000.0000'). A blue 'Apply' button is positioned below the filters. Two featured resource cards are displayed: 'Accelerating NEWS Accelerating News issue 23' and 'Organization and management gallery'. The footer is dark and contains 'FOLLOW US' with social media icons, CERN contact information (Esplanade des Particules 1, P.O. Box 17, 1211 Geneva 23, Switzerland), the CERN logo, and a copyright notice for 2018.
