

Drupalcon Amsterdam 2019

Konstantinos Platis (Web Team of IR)

Maintainer of CERN Drupal themes & modules

Where do I start in Drupal community?

- Drupal is **open source**
- Organize and contribute
- Contribution **is not only code**

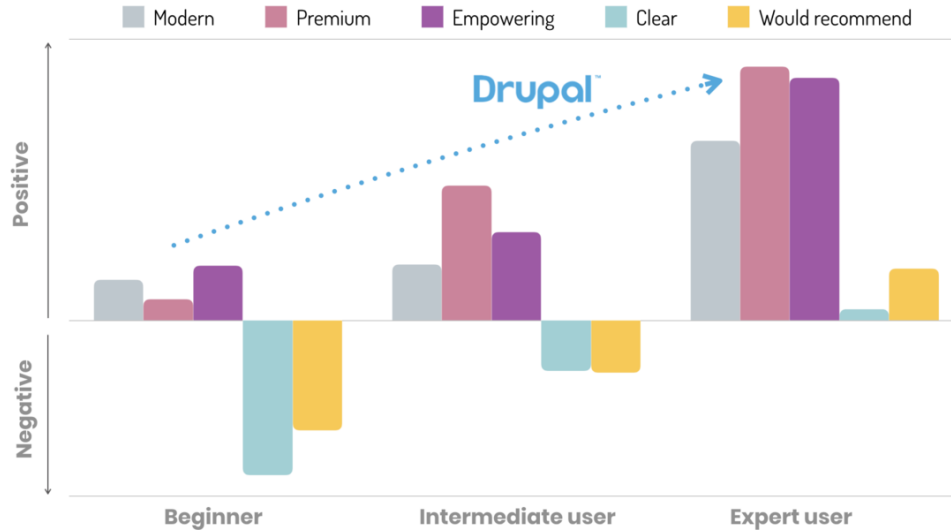

Components everywhere!

- Big part of the presentations
- Up to date with CERN line

API explorer

- Create simple APIs without prior knowledge of backend development
- Drupal moves to decoupled direction
- https://www.drupal.org/project/jsonapi_explorer
