

AMVA4NewPhysics Supervisory Board

November 22 2019

Agenda

- Report on Art & Science 2018-2020 in Venice
- Budget and payments
- AOB

Art & Science 2018-2020 in Venice

- AMVA4NewPhysics and INSIGHTS both sponsored the 2018-2020 edition of this initiative (with up to 3k Euro for us, 1.5k Euro for INSIGHTS; in the end the expenses have been smaller)
- A previous edition saw 4 high schools participating to the event in Venice, with 33 artworks exposed at the Casinò di Venezia during EPS 2017
- The 2nd classified work in 2017 won the 2nd national prize
- In total, 4 students from Venice area went to CERN for a week of visits

Event at Sala Perla, July 2017

The new edition

- 11 cities involved
- In Venice, sponsorship allows organization of exhibit at the Museum of Natural History, nov 9 to 24, and prizes and gadgets to winners / participants
- 6 schools involved, 12 seminars by Dorigo and G.Bianchi (prof. of Contemporary Art in Padova) in Jan-Feb 2019
- 26 groups of 78 students produced artworks, exposed at the museum (exposition prolonged to Dec 1 due to weather conditions)
- Winning team got e-readers plus gadgets; other teams powerbanks plus gadgets
- 7 teams will have their artwork sent to Naples for the final exhibit in May, and concur to national prizes (trip to CERN)
